## ABOUT EYC

**W**e are all responsible for the protection of our natural resources and the condition of our environment. Through Ontario's Environmental Youth Corps program, young people and employers can take on that responsibility together.

Since the first year of the program in 1988, 18,000 youth have been hired by public sector and non-profit organizations to work on environmentally focused jobs. The funding for these positions is provided by the Government of Ontario through the Ministries of Agriculture and Food, Environment and Energy, Natural Resources, Northern Development and Mines and Culture, Tourism and Recreation.

The Environmental Youth Corps (EYC) is an exciting program for all of Ontario. It has been developed to bring the enthusiasm and energy of Ontario's youth together with people from community-based organizations.

## WHO CAN APPLY?

Anyone between the ages of 15 and 24 (29 for persons with disabilities) can apply for jobs through the Environmental Youth Corps.

## EMPLOYER LIST

The EYC **Employer List** includes names and addresses of organizations that have received funding in the past through EYC. **Please note that some of these organizations may not participate in the EYC this year.**

Send your resume/application to organizations that you find interesting. They will contact you if you are a suitable candidate for their EYC position.

## APPROVED PROJECT LIST

EYC projects are approved for funding by host ministries during the month of March, and the majority of projects begin work in the months of May and June.

In May, the EYC **Approved Project List** is available to supply you with a directory of prospective employers. This list includes employer names, addresses and the number of positions offered in organizations that have received funding for projects in 1994.

You can obtain this list locally by visiting your:

- Canada Employment Centre for Students;
- campus or school placement centre;
- MPP's office;
- host ministry office.

Additional copies of the **Approved Project List** are available by calling the Youth Employment Hotline at 1-800-387-0777 or the Ministry of Environment and Energy at (416) 314-5906.

Employers with approved EYC projects advertise available jobs and identify them as Environmental Youth Corps positions. Your applications must be made directly to the employer. **Host ministries do not hire youth on behalf of employers.**

## À PROPOS DE LA BRIGADE DES JEUNES ENVIRONNEMENTALISTES

**I**l incombe à chacun de nous de protéger nos richesses naturelles et l'environnement. Grâce au programme de la Brigade des jeunes environnementalistes de l'Ontario, les jeunes et les employeurs peuvent partager cette responsabilité.

Depuis 1988, première année du programme, 18 000 jeunes ont été embauchés par des organismes du secteur public et des organismes à but non lucratif pour effectuer divers travaux de mise en valeur de l'environnement.

Ces emplois sont subventionnés par le gouvernement de l'Ontario par l'entremise du ministère de l'Agriculture et de l'Alimentation, du ministère de l'Environnement et de l'Énergie, du ministère des Richesses naturelles, du ministère du Développement du Nord et des Mines et du ministère de la Culture, du Tourisme et des Loisirs.

Le programme de la Brigade est destiné à tout l'Ontario. Il a été conçu dans le but de regrouper des jeunes débordant d'énergie et d'enthousiasme et des membres d'organismes communautaires.

## QUI PEUT PRÉSENTER SA CANDIDATURE

Les jeunes de 15 à 24 ans (29 ans en ce qui concerne les personnes handicapées) peuvent poser leur candidature à des emplois subventionnés par la Brigade des jeunes environnementalistes.

## LISTE DES EMPLOYEURS

La liste des employeurs de la Brigade vous offre le nom et l'adresse des organismes qui ont reçu une subvention de la Brigade dans le passé. **Il est à noter que des employeurs y figurant ne participent pas nécessairement à la Brigade cette année.**

Présentez votre candidature directement aux organismes qui vous intéressent. Les employeurs vous préviendront si votre candidature convient à leurs postes de la Brigade.

## LISTE DES PROJETS APPROUVÉS

Les ministères d'accueil autorisent le financement des projets de la Brigade en mars, et la plupart des projets débutent en mai et juin.

La liste des projets approuvés paraît en mai. Figurent à cette liste le nom et l'adresse des employeurs et le nombre de postes qu'offriront les organismes qui ont obtenu une subvention pour 1994.

On peut se procurer la liste aux endroits suivants :

- Centres d'emploi du Canada pour étudiants
- centres de placement des écoles ou des campus
- bureau du député provincial
- bureau du ministère d'accueil

On peut aussi la recevoir en communiquant avec la Brigade au 1-800-387-0777 ou avec le ministère de l'Environnement et de l'Énergie au (416) 314-5906.

Les employeurs dont les projets sont autorisés doivent annoncer les postes offerts en faisant mention de la Brigade des jeunes environnementalistes. Les candidatures doivent être présentées aux employeurs; **les ministères d'accueil n'embauchent pas les jeunes au nom des employeurs.**
